

East Anglia's largest farmer-owned
grain marketing and storage business.

Serving Growers in East Anglia and the Midlands.

The management and staff at Fengrain would like to express our sincere thanks to all of our members and growers for their help and support throughout this exceptional harvest period.

We apologise for any inconvenience whilst the store has had to manage high yields and unprecedented levels of wet grain throughout the 8 week harvest period.

Any store members grain yet be accommodated will be processed within the next few weeks.

Please note that due to high demand and the late harvest the closing date of our secondary grain pools has been extended to 15th October 2008.

Thank you to our loyal members and growers
